IV. PROVISION OF GUARANTEE FOR WHOLLY-OWNED SUBSIDIARIES AND JOINT VENTURE

Overview of guarantee

(I) Basic Information

On 26 March 2024, the Board has considered and approved the resolution on the provision of guarantee for wholly-owned subsidiaries and the joint venture of the Company and such resolution was also approved by the 2023 annual general meeting of the Company convened on 12 June 2024. The valid period of the guarantee commenced from the date of approval by the shareholders at the 2023 annual general meeting until the conclusion of the AGM of the Company.

In order to satisfy the needs of international market expansion and day-to-day operation, the Company expects that after the conclusion of the AGM, the Company needs to continue to provide guarantee for wholly-owned subsidiaries of the Company. Meanwhile, in order to

LETTER FROM THE BOARD

satisfy the needs of Mexico EBANO Project, the Company may need to continue to provide performance guarantee for its joint venture, Mexico DS Company. Therefore, the Board considered and approved the resolution on the provision of guarantee for wholly-owned subsidiaries and joint venture of the Company on 18 March 2025, including:

1. Credit guarantee for wholly-owned subsidiaries (and their subsidiaries): The Company has agreed that its wholly-owned subsidiaries (and their subsidiaries) may use part of the credit facilities of the Company to issue the letter of bank guarantee and letter of credit etc. to external parties for use in day-to-day business operation, such as tender bidding, contract performance and payments, and the Company will undertake the corresponding joint and several guarantee liabilities. The maximum amount of joint and several guarantee liabilities undertaken by the Company during the guarantee period shall not exceed the equivalent value of RMB28.5 billion (Renminbi Twenty-Eight-and-a-Half Billion Yuan), and the specific amount of the guarantee will be allocated by the Company according to the operation needs of each subsidiary and subject to the relevant regulatory requirements.
2. Performance guarantee for wholly-owned subsidiaries (and their subsidiaries): The Company has agreed that whenever its wholly-owned subsidiaries engage in market development and tender bidding activities for oilfield services locally and sign business contracts, the Company will provide performance guarantee to ensure that when the wholly-owned subsidiaries lose the contract performance capability, the Company will perform the contract on their behalf. The maximum amount of joint and several guarantee liabilities undertaken by the Company during the guarantee period shall not exceed the equivalent value of RMB23 billion (Renminbi Twenty-Three Billion Yuan), and the specific amount of the guarantee will be allocated by the Company according to the operation needs of each subsidiary and subject to the relevant regulatory requirements.
3. JV Performance Guarantee: The Company has agreed that whenever the joint venture, Mexico DS Company, engages in market development and tender bidding activities for oilfield services locally and signs business contracts, the Company will provide performance guarantee to ensure that in the event Mexico DS Company loses its contract performance capability, the Company will perform the contract on its behalf. The maximum amount of joint and several guarantee liabilities undertaken by the Company during the guarantee period shall not exceed the equivalent value of US\$275 million.

The Board has resolved to propose to the general meeting to authorize the Board in turn authorizing the management to handle the filing procedures in relation to the guarantees, including but not limited to the signing of relevant guarantee agreements, in accordance with relevant regulatory regulations and internal control system of the Company, within the scope of the guarantee amount and guaranteed entities as approved by the general meeting.

LETTER FROM THE BOARD

Guarantee period: commence from the date of approval by the shareholders at the AGM until the conclusion of the 2025 annual general meeting.

(II) Internal Decision Procedure

According to the relevant requirements of the Rules Governing the Listing of Stocks on Shanghai Stock Exchange, since the maximum amount of the guarantee is approximately RMB53.48 billion (including the maximum amount of JV Performance Guarantee of US\$275 million, approximately RMB1.98 billion calculated based on the exchange rate as of 31 December 2024), which has exceeded 30% of the audited total assets of the Company for the latest reporting period (i.e. RMB77.34 billion) and has exceeded 50% of the audited net assets of the Company for the latest reporting period (i.e. RMB8.649 billion), and the gearing ratios of some guaranteed wholly-owned subsidiaries have exceeded 70%, the guarantee shall be submitted to the 2024 annual general meeting for approval after consideration and approval by the Board. If the approval is granted by the shareholders, the valid period of the guarantee will commence on the date of approval by the shareholders at the AGM until the conclusion of the 2025 annual general meeting.

Pursuant to the Hong Kong Listing Rules, the provision of performance guarantee by the Company in favour of Mexico DS Company, a joint venture of the Company, may constitute a transaction under Chapter 14 of the Hong Kong Listing Rules. Based on (i) the maximum amount of JV Performance Guarantee and (ii) the applicable financial data of the Company as at the date of the guarantee announcement for the size test, one or more of the applicable percentage ratios in respect of JV Performance Guarantee exceed 5% but all fall below 25%, thus the guarantee agreement and the transaction contemplated thereunder will potentially constitute a disclosable transaction of the Company and is subject to the reporting and announcement requirements under Chapter 14 of the Hong Kong Listing Rules. The Company entered into the 2022 Mexican Guarantee Agreement with Mexican National Hydrocarbons Commission to provide performance guarantee for Mexico DS Company and published a disclosable transaction announcement on 17 June 2022. Pursuant to the 2023 Mexico Guarantee Mandate, the 2022 Mexican Guarantee Agreement will remain in effect after the conclusion of the AGM.

If the JV Performance Guarantee is approved by the AGM, the Company will fulfill other requirements in addition to the requirements for disclosable transactions under Chapter 14 of the Hong Kong Listing Rules upon signing of the guarantee agreement (if applicable).

The Company will at all times comply fully with all applicable PRC laws and regulations and the Shanghai Listing Rules and will seek additional, specific and prior approval from its Shareholders in general meeting by way of special resolution(s) for each buy back of A shares (if applicable).

PRC laws and regulations and the Hong Kong Listing Rules permit shareholders of a PRC joint stock limited company to grant a general mandate to the Directors to buy back H shares of such company that are listed on the Hong Kong Stock Exchange. BUY-BACK MANDATE

Reasons for Buying back Shares

The Directors believe that the flexibility afforded by the Buy-back Mandate would be beneficial to and in the best interests of the Company and its Shareholders. Such buy backs may, depending on market conditions and funding arrangements at such time, lead to an enhancement of the net asset value per share and/or earnings per share of the Company. Such buy backs will only be made when the Directors believe that such buy backs will benefit the Company and its Shareholders.

Exercise of the Buy-back Mandate

Subject to the passing of the relevant special resolution(s) set out in the notice of AGM, the special resolution(s) approving the grant to the Board of the Buy-back Mandate at the A Shareholders Class Meeting and H Shareholders Class Meeting respectively, the Board will be granted the Buy-back Mandate until the earlier of: (a) the conclusion of the 2025 annual general meeting of the Company; (b) the expiration of a period of twelve months from the date of passing this special resolution at the AGM, A Shareholders Class Meeting and the H Shareholders Class Meeting; or (c) the revocation or variation of the authority conferred by this resolution by a special resolution of shareholders at a general meeting, or at a class meeting of domestic share (A share) shareholders or overseas-listed foreign invested share (H share) shareholders (“**Relevant Period**”). The exercise of the Buy-back Mandate is subject to relevant approval(s) of and/or filings with the relevant regulatory authorities as required by the laws, rules and regulations of the PRC being obtained and/or carried out.

The exercise in full of the A Share Buy-back Mandate (on the basis of 13,569,378,551 A shares in issue of the Company as at the Latest Practicable Date and there is no change to the number of issued A shares prior to the date of the AGM, the A Shareholders Class Meeting and H Shareholders Class Meeting) would result in a maximum of 1,356,937,855 A shares being bought back by the Company during the Relevant Period, being the maximum of 10% of the total A shares in issue of the Company as at the date of passing the relevant resolution(s).

The exercise in full of the H Share Buy-back Mandate (on the basis of 5,410,033,482 H shares in issue of the Company as at the Latest Practicable Date and there is no change to the number of issued H shares of the Company prior to the date of the AGM, the A Shareholders Class Meeting and H Shareholders Class Meeting) would result in a maximum of 541,003,348 H shares being bought back by the Company during the Relevant Period, being the maximum of 10% of the total H shares in issue of the Company as at the date of passing the relevant resolution(s).

The Company may cancel the shares bought back under the Buy-back Mandate, and/or hold them as treasury shares subject to, for example, market conditions, purposes of buy backs and its capital management needs at the time of the buy backs.

Funding of Buy Backs

In buying back its shares, the Company intends to apply funds from the Company's internal resources (which may include surplus funds and retained profits) legally available for such purpose in accordance with the Articles of Association and the applicable laws, rules and regulations of the PRC. The Company may not buy back securities on the Hong Kong Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Hong Kong Stock Exchange from time to time.

GENERAL

The Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the Buy-back Mandate is to be exercised in full at any time during the proposed buy back period (as compared with the position disclosed in the latest published audited accounts contained in the annual report of the Company for the year ended 31 December 2024). However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company. The number of shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regarded to the circumstances then prevailing, in the best interests of the Company.

The Directors have undertaken to the Hong Kong Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make buy backs under the Buy-back Mandate in accordance with the Hong Kong Listing Rules, the Articles of Association and the applicable laws, rules and regulations of the PRC. Neither the Explanatory Statement nor the proposed share buy-back has any unusual features.
