Announcement on Bid-Winning of Construction Project

The board of directors of the Company and all its directors guarantee that, this announcement does not contain any false information, misleading statement or material omission, and accept legal responsibility for the authenticity, accuracy and completeness of the contents of this announcement.

Recently, Sinopec Oil Engineering and Construction Corporation, a wholly-owned subsidiary of Sinopec Oilfield Service Corporation (the “**Company**”) won the bid for the general contracting project of the western section of Yongshao trunk natural gas pipeline of China Oil & Gas Pipeline Network Corporation (the “**Project**”). The bid price is RMB858 million, representing approximately 1.06% of the operating revenue of the Company for the year 2024 under the PRC accounting standards.

The total length of the pipeline of the Project is about 120 kilometers. The project construction plays a positive role in adjusting and optimizing the energy structure of Zhejiang Province, stimulating the economic development of the areas along the line, and accelerating the formation of a national “one network” of natural gas, and demonstrates the Company's professional technical level and construction management capabilities in the field of petroleum engineering construction. As the contract has not been formally executed by the relevant parties, the Project is still subject to uncertainty and investors are advised to pay attention to the investment risks.
